Dear Applicant:

Attached is the Application Form that must be completed in order to request funds from the Georgia Conservation Reserve Fund. Please read the attached Policy and Procedures document carefully and reference its guidelines as you complete the Application Form.

In addition to providing information on the application form, please submit a map of the property, which identifies the proposed site and its relation to surrounding properties. We will make arrangements to meet with you and/or other knowledgeable parties to answer questions or supply additional information. A site visit may also be requested.

The Georgia Conservation Commission meets on the third Monday of each month, at 7:00 p.m. at the town offices. To allow time for review, please submit your application three weeks before a regularly scheduled meeting.
