

AN ORDINANCE PERTAINING TO BURNING

(1) Rubbish and other waste:

No person shall put or place or cause to be put or placed within 25 feet of any building. The following is a list of material that would come under this section but is not limited to these only: any rubbish, paper, waste cartons, or boxes unless it is in an approved contained for storage approved by the Fire Chief.

(2) Outside fires endangering buildings or noxious to others:

No person all build, permit to be built, upon premises under his use or control, any outside fire, whether the same be open or confined, in a manner, in a location, or of materials which will endanger the safety of any existing building or structure, wooded area, or which will be noxious or injurious to others.

Upon complaint to any selectmen, to the Fire Chief, or his Assistant that any building or structure is being so endangered or to the Health Officer that such noxious or injurious condition exists, the Fire Chief or his designee, Health Officer, or person so designated by the Board of Selectmen shall make investigation and issue to any person found to be in violation of this subsection his written order to cease or desist or to take such action with respect there to as may be necessary to prevent or correct such dangerous, noxious or offensive condition.

A person who neglects or refuses to obey such order issued by the selectmen's designee shall be fined \$50.00, and each and every 24 hour period of such neglect or refusal shall be deemed to be a separate offense.
