_____ Vermont Residential Building Energy Standards Certificate or Vermont Owner/Builder Disclosure Statement has been completed as per requirements of the **Zoning Regulations of the Town of Georgia** on ___/___/____. A copy of same is attached hereto and made a part hereof.

Nothing herein shall be construed as either an express or implied warranty by the Town of Georgia against the failure or property damage caused by any land development operations, regardless of whether such improvements or operations have been inspected, reviewed or certified by the Town, nor as certification as to compliance with any other applicable permit requirements.

This certificate is issued based on information provided by the applicant to the Administrator for a determination of conformance with approved permits. This permit is not intended to provide a thorough technical certification of required improvements nor is it intended to be a certification of the actual location of property lines, structures, or required improvements of the subject property. This permit does not imply that required improvements are warranted against failure due to improper construction or improper design. No construction may be commenced or change of use made in any building or on any premise which is inconsistent with this certificate.
