

Statewide In-Home Vaccination

provided by Vermont Center for
Independent Living

**YOU'VE
GOT THIS.**

We've got you.

No cost, in-home vaccination is available for anyone who has difficulty getting to or using a community vaccination location, including children.

For the safety of you and your family, in-home vaccinators will wear masks (including N95 respirators by request). No insurance information will be collected.

Entire households -including caregivers and friends- can be vaccinated at once for:

- COVID (ages 6 months+)
- Flu (ages 6 months+)
- RSV (ages 60+)

GET VACCINATED.

**GET PEACE OF
MIND.**

The Aging and Disability Vaccination Collaborative, powered by USAging, has teamed up with community providers in your area to provide easy access to vaccines.

This project is supported by the Administration for Community Living (ACL, U.S. Department of Health and Human Services (HHS)) through USAging as part of a financial assistance award to USAging totaling \$74,999,835 with 100 percent funding by ACL/HHS. The contents are those of the author(s) and do not necessarily represent the official view of, nor an endorsement, by USAging, ACL/ HHS or the U.S. Government.
