

Georgia First Response
Regular Business Meeting
April 22, 2020

Location:
Virtual Meeting via Zoom

Present: 10 Excused: 0 Absent: 2

Meeting called to order by Andrew Dunsmore at 7:07pm.

Old Business

- Edward Simon has his equipment and can now run calls. He will be on probation for six months.
- Andrew asked anyone who does not have a copy of the new SOGs or the town's tobacco policy to let him know so he can send a copy.
- We will now be responding to suspected COVID-19 calls since we now have appropriate PPE.
- There is a new COVID-19 PPE tab in SIREN. Please make sure to fill out these fields for every call.
- There are no known COVID-19 cases in the town of Georgia.
- Craig is actively monitoring our inventory and will be ordering more supplies where needed. Some backordered items came in including some medications. We now have some 3XL Tyvek suits.

New Business

- Let Pat know if you have any issues with the key fobs.
- We now have access to an N95 fit test kit. We will try to arrange fit testing for all members.
- The northbound ramp of interstate 89 at exit 18 is closed and will likely be for a few more weeks. There were some road closures in town to do repair work, however there were some issues communicating that in advanced to emergency services.
- There will be a new road in town off Polly Hubbard Road near Georgia Shore Road. The road will be called Nature Nook Lane.
- The apparel website is now live.
- Discussed long-term use of masks. Consensus was that we should be using at least disposable surgical masks, not cloth masks, when on first response calls interacting with patients.
- There is an online AmCare training tomorrow evening.
- ID badges are in the process of being made. Andrew is missing a few pictures. Please email your picture to Andrew if he doesn't have it.
- Keith requested that anyone going into the fire station wipes down frequently touched surfaces whenever you are at the station.

Meeting adjourned at 7:45pm.

Select Board Concerns

- None
