Regular Business Meeting
October 4, 2018
Approved: November 1, 2018

Present: 14 Excused: 6 Absent: 11

Meeting called to order by Jamie Cota at 8:32pm.

Old Business

- Minutes of the previous meeting read by the secretary. Motion to accept made by Jeff Bryant seconded by Andrew Dunsmore, motion passed.
- Engine 1 is looking like early to mid-November for final inspection.
- Vendor is currently working on tank cradle and supports for Tanker 3. Storage compartments are at Yipes for spraying.
- Gary asked if anyone has had a problem with their key fobs. A couple people have had issues.
- Repeater is currently operational due to a loaner from the vendor who would like the unit back. Currently trying to decide whether to repair, replace or decommission use. Still evaluating options.

New Business

- Hazmat refresher will be normal training night in November and will start at 6pm. Required for those with Firefighter I or higher certification.
- Two more extrication tool demos on fourth Thursday, Hurst and Amkus. About a \$1,300 difference between the two sets we have already tried.
- Firefighter II in Glover starting January 19th for anyone interested.
- EVOC may be available at the end of October in Grand Isle. Will be unable to host state course in town until middle of next year at earliest. May try to get an instructor for an unofficial guided course.
- Remember to refuel the trucks after use. Also wipe the windows after washing them to prevent spotting and wipe out interior of the trucks during maintenance. There is now a place to put AED pad dates on the maintenance forms. Let Keith know if any equipment is needed.
- Grants for forest fire equipment are open.
- Fire prevention is next week. Will be at the school Monday and Thursday. Currently looking good in terms of volunteers for Monday, could still use more volunteers for Thursday.
- Milton Fire is looking for tankers Monday the 15th for an ISO tanker shuttle drill. Will need drivers and must be at Milton Fire for 6:00pm. Should be done by 8:30pm.
- Will be doing trick or treating at the station on October 31st from 4:30pm to 7:00pm.

Motion to adjourn made by Ben Piper seconded by Jeff Bryant, motion passed. Meeting adjourned at 9:46pm.
