

**Town of Georgia
Zoning Permit Application**

Instructions for filling out permit application

Section 1:

Fill out name, mailing address, email address and telephone number. **If owner of property is different than the applicant, complete Section 1A.**

Section 2:

Complete this section if you are making improvements or changes to your property which requires a zoning permit.

- 1) Describe improvement or change (single family residence, deck, shed, pool, fence, etc.); indicate new construction, addition/alteration, etc.
- 2) Indicate both current use and proposed use of property.
- 3) Describe location of property as indicated.
- 4) Indicate zoning district, lot size and lot frontage.
- 5) As applicable, indicate current and proposed setbacks of structures from: centerline of roadway, right and left property sidelines and rear property line. **NOTE: Provide a site plan drawing on last page of application showing all the above dimensions. Be as accurate as possible. Incomplete applications will not be acted on and will be returned.**
- 6) Indicate dimensions of proposed construction and existing structures as applicable. Provide information regarding height, number of floors, square footage of structure, number of bedrooms/baths, etc.

Section 3: Septic Permit Information: Indicate by checking appropriate line whether or not the proposed improvements require a State septic permit. Applicants are responsible for obtaining all necessary State permits. Contact the permit specialist at the **Essex District Office of the Vermont Department of Environmental Conservation at (802) 477-2241 for further information.**

Section 4: Vermont Building Energy Standards Certificate: Indicate by checking appropriate line whether or not the proposed improvements require a Vermont Building Energy Standard Certificate or a Vermont Owner/Building Disclosure Statement to be filed.

Section 5: Affirmation: Sign and date the application where indicated, attach appropriate fee **(INCLUDING \$30.00 RECORDING FEE for permit and certificate of occupancy)** and any additional plans etc., and return to Zoning Office for action by the Zoning Administrator.

Section 6: Other Permits Required: A checklist for use by Town to show if additional permits are required for your proposal and indicates action taken on application. **NOTE:** Driveway permits for all curb cuts on Town Highways must be obtained from the Town Road Commissioner. A State Highway Right of Way Permit must be obtained from the State of Vermont Agency of Transportation for any work conducted in a state highway right of way. Contact the AOT District Office at 524-5926.

Section 7: Decision/Action Taken: For Town Use.

For additional assistance, please contact the Zoning Administrator at 524-3524 or zoning@townofgeorgia.com.
