Meeting called to order by Andrew Dunsmore at 7:01pm.

Old Business

- Some members still need to complete their protocol training. This needs to be done before we can go live with the new protocols as an agency.
- 10-93 patient refusal forms are in the office.
- More gowns are in. N95s are still on backorder. We have all the equipment needed to implement new protocols once training requirements are met.
- Pediatric resuscitation academy is September 12th from 9:00am to 11:00am or 1:00pm to 3:00pm.

New Business

- Received a shipment of cloth face masks from the state for distribution to the public. After discussion with members, decided to set up a distribution station at the following times at the fire station:
 - Wednesday, September 2nd from 12:00pm to 1:00pm
 - Monday, September 7th from 6:00pm to 7:00pm
 - Wednesday, September 9th from 12:00pm to 1:00pm
 - Monday, September 14th from 6:00pm to 7:00pm
- Discussed social media use as a reminder that while the town cannot restrict our private use of social media, our personal opinions may also be taken as a reflection of the agency and the town by others and as such, members asked to keep this in mind while using social media.
- Discussed the Art Carroll Memorial Scholarship including application criteria and process for award. Additionally, considered an application for the scholarship.
- Jamie Burdick has resigned.

Meeting adjourned at 8:04pm.
