Meeting called to order by Andrew Dunsmore at 7:13pm.

**Old Business**

- Minutes from the previous meeting read by the secretary.
- Everyone should have completed the new protocol education on Centrelearn. If this has not been done, it must be done as soon as possible. Members should send certificates of completion to Jamieson, copying Andrew. All members must complete the training before we can go live.
- The state has released a IV Tylenol protocol, however we are not going to carry IV Tylenol. Similarly, we will not be carrying IV Zofran. These drugs are expensive and are rarely used. We rarely start IV's as AmCare typically arrives before we have the opportunity to administer IV meds.
- Chelsea Dubie picked up some 10-93 patient refusal forms.
- The Calcutta has been canceled until next year in March. If someone wants a refund, let Pat King or Andrew know. Any tickets which have already been sold will be honored at next year's Calcutta.
- A resuscitation academy for high performance CPR is Sunday, August 9<sup>th</sup> in Fairfax. The pediatric resuscitation academy will be September 18<sup>th</sup>, also in Fairfax.

**New Business**

- Craig Lamoureux is working on another supply order. There is hand sanitizer in the EMS office.
- We will be having a debrief of the fatal motorcycle from last week this Thursday at 6:00pm. This will be open only to those who were at the call.

Motion to adjourn made by Craig Lamoureux, seconded by Keith Baker. Meeting adjourned at 7:52pmpm.
