

PROPOSED HIGHWAY GARAGE TAX BREAKDOWN

Property Assessed Value	Proposed Property Tax Increase
\$100,000	\$30.00
\$200,000	\$60.00
\$300,000	\$90.00
\$400,000	\$120.00

***** This estimated increase is based on the total 2020 grand list and is also based on the highest cost year of the proposed 20 year loan.***

These estimated increases are based on a 20 year loan and not a 30 year loan as this would only decrease the payment by approximately \$5.00 per \$100,000.00 of value and will save the taxpayers of Georgia \$700,000 of interest.
